**Montrose**

*Welcome* to the Royal Burgh of Montrose the most northern coastal town in Angus, whose buildings radiate history and tell of a time when it was the prosperous home of merchants, sea captains and wealthy landowners. The steeple of the parish church pinpoints the town from afar, as it sits on a peninsula between a tidal basin and the sea. Ever popular with summer visitors the town has a vast stretch of golden sand, a prominent Town House, a busy shopping centre, a thriving port, wonderful golf courses and scenic countryside nearby to explore. The Montrose Medal Golf Course is the fifth oldest golf course in the world, with golf being played here since 1562. This fantastic course has again received the honour of been chosen as a final qualifying course for the Open Championship at Carnoustie in 2007. Enjoy your stay!
